Gertrude L. Elsner

It was with great regret that the Selectmen accepted the resignation of Gertrude L. Elsner as Town Clerk. Trudy had served in this capacity for twelve years. She excelled in her work and holds the admiration and respect of all with whom she came in contact.

Trudy's efficiency and dedication extended far beyond the prescribed duties of Town Clerk. She was always there to help the Selectmen when they needed something typed, mailed, looked up, looked into. She took it upon herself to prepare and mail brochures in response to requests for tourist information. She served as receptionist for the town, greeting residents, seasonal visitors and newcomers with warmth and interest. Everyone who came to the Town Hall felt welcomed.

The Town of Holderness extends its thanks and appreciation to an outstanding public servant, with sincere best wishes for many healthy and happy years of retirement.

Richard J. Gagne

In September, 1983 Richard J. Gagne retired from police work after 20 years of service. Dick came to Holderness as Chief of Police in 1974 after eleven years as a State Trooper. Within a short time he had developed a highly creditable police force able to deal with the increasing needs of a growing community. Two additional full time officers were hired and encouraged to pursue continuing training to upgrade and maintain their skills. Equipment was updated and new equipment obtained. Criminals were vigorously prosecuted bringing about, among other things, a noticeable decrease in burglaries. Holderness can feel proud of its professional police force. Chief Gagne's efforts and achievements are appreciated by all in our town and its environs.

We are pleased that Dick and his family have chosen to remain a part of the community and wish him every success and happiness in his future endeavors.

Holderness Town Warrant 1984

The State of New Hampshire

To the inhabitants of the Town of Holderness in the County of Grafton and State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Town House on Tuesday, the thirteenth of March next, at ten o'clock in the forenoon, at which time the polls shall be opened and shall close not earlier than six o'clock in the afternoon to act upon the following subjects, the second and subsequent articles to be acted upon commencing at seven thirty o'clock in the evening of the same day in the auditorium of the HOLDERNESS CENTRAL SCHOOL.

ARTICLE 1: To choose all Town officers.

ARTICLE 2: To accept the reports of all Town officers and committees.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of three hundred dollars ($300.00) to meet the requirements of RSA 442A in reference to the impoundment of dogs.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1000.00) for the support of local hospitals.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of two hundred dollars ($200.00) to assist in maintaining the services of the Upper Valley Senior Citizens Council.

ARTICLE 6: To see if the Town will authorize the withdrawal from the Revenue Sharing Fund established under the State and Local Assistance Act of 1972, the sum of twenty two thousand one hundred dollars ($22,100.00) to offset the cost of repairs and replacement of equipment as follows:

Fire	$14,600.00
Police	5,000.00
Highway	2,500.00
	$22,100.00

ARTICLE 7: To see if the Town will vote to establish the term of office for Fire Ward at three years, this to be accomplished by designating at the outset, one Fire Ward for one year, one Fire Ward for two years, and one Fire Ward for three years and thenceforth to elect one Fire Ward each year for a three year term. (By petition)

ARTICLE 8: To see if the Town will vote to separate by at least one day the annual Town Meeting balloting from the annual Business Meeting as expressed under Article 15 at the March 8, 1983 Town Meeting. This to take effect in 1985. (By petition)

ARTICLE 9: To see if the Town will authorize the Selectmen to administer, lease, sell, convey or otherwise dispose of any Real Estate acquired by the Town by any Tax Collector's deed in accordance with the provisions of RSA 80:42.

ARTICLE 10: To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State Grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money, provided: (1) That such grants and other monies do not require the expenditure of other Town funds, (2) That a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies and (3) That such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b.

ARTICLE 11: To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of two hundred ten dollars ($210.00) to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages as well as preservation of the natural resources of the town, in cooperation with the other towns in the Lakes Region.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of two hundred eighty-eight dollars ($288.00) to maintain and continue the system of services of the Inter-Lakes Day Care Center.

ARTICLE 14: To see if the Town will vote to raise and appropriate a sum not to exceed ninety-five thousand dollars ($95,000.00) for the purchase of a Tanker/Pumper fire truck and accessories and to authorize the Selectmen to raise said sum pursuant to the Municipal Finance Act RSA 33. (By petition)

ARTICLE 15: To see what sum of money the Town will vote to add to the Capital Reserve Fund established for the purpose of funding the purchase of fire equipment. (By petition)

ARTICLE 16: To see if the Town will vote to raise and appropriate a sum not to exceed four thousand dollars ($4000.00) for the purpose of purchasing a new police cruiser. This amount to be placed in Capital Reserve and invested until needed.

ARTICLE 17: To see if the Town will vote to raise and appropriate a sum not to exceed twelve thousand dollars ($12,000.00) to be placed in Capital Reserve for the purpose of purchasing a Highway Truck.

ARTICLE 18: To see if the Town will make any alteration in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Budget Committee in its report.

ARTICLE 19: To transact any other business that may legally come before the meeting.

Given under our hands this 21st day of February in the year of our Lord nineteen hundred and eighty-four.

Roger S. Gage, Chairman
Donald E. Dana
Earl F. Hansen
Selectmen

WE, the undersigned, Selectmen of the Town of Holderness, New Hampshire, do hereby certify that on the 21st day of February, 1984 we posted an attested copy of the foregoing warrant at the Holderness Town House, the Holderness Central School, the place of the meeting, and like copy of said warrant at the Holderness Post Office, a public place in said Town of Holderness.

Dated this 21st day of February, 1984.

Roger S. Gage, Chairman
Donald E. Dana
Earl F. Hansen

STATE OF NEW HAMPSHIRE
GRAFTON, SS

Before me, the undersigned officer, personally appeared Roger S. Gage, Donald E. Dana and Earl F. Hansen whose names are subscribed to the foregoing Return of Posting, and made oath that the facts alleged therein are true.

Minutes of Holderness Town Meeting

March 8, 1983

At the annual Town Meeting of the Town of Holderness on March 8, 1983, the following business was transacted:

Moderator George Ray convened the meeting. Results of voting were announced and newly elected officers present were sworn in.

Mr. Deachman moved and Mr. Taylor seconded to dispense with the reading of the entire warrant. Motion passed without opposition.

Article 2: To see if the Town will appropriate a sum not to exceed one hundred forty thousand dollars ($140,000) for the purchase of a tanker/pumper fire truck and accessories and to authorize the selectmen to raise said sum pursuant to the Municipal Finance Act, RSA 38. (by petition)

The moderator noted that the statute number cited was in error and should read RSA 33:8.

Mr. Hansen immediately moved to amend Article 2 by striking it out and inserting in its place the following motion: To see if the Town will vote to authorize the selectmen to enter into a lease/purchase agreement for the purchase of a fire truck at an annual amount not to exceed thirty thousand dollars ($30,000) for a term not to exceed seven years, and to appropriate a sum not to exceed $30,000 for the first year.

It was noted from the floor that Article 2 had never been moved. The moderator explained that he could not have accepted such a motion because no public hearing had been held, but chose to accept Mr. Hansen's amendment, which amendment was duly seconded.

Mr. Deachman moved, Mr. Hansen seconded to amend Mr. Hansen's motion in order to make the lease/purchase agreement, if approved, voidable annually. Voice vote declared inconclusive; division vote requested: 154 affirmative, 29 negative.

A petition for written ballot was received and approved. After considerable discussion the question as amended was moved and voting ensued: 84 affirmative, 89 negative. Article 2 as amended defeated.

Article 3: To accept the reports of all Town officers and committees. Voted in the affirmative with no opposition.

Article 4: To see if the Town will vote to raise and appropriate the sum of four hundred dollars ($400.00) to meet the requirements of RSA 422A in reference to the impoundment of dogs. Voted in the affirmative with no opposition.

Article 5: To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) for the support of local hospitals. Voted in the affirmative with no opposition.

Article 6: To see if the Town will vote to raise and appropriate the sum of two hundred dollars ($200.00) to assist in maintaining the services of the Upper Valley Senior Citizens Council. Voted in the affirmative with no opposition.

Article 7: To see if the Town will authorize the withdrawal from the Revenue Sharing Fund established under the State and Local Assistance Act of 1972, the sum of twenty thousand eight hundred and seventy-eight dollars ($20,878.00) to offset, in part, the cost of reappraisal of property. Voted in the affirmative with no opposition.

Article 8: To see if the Town will vote to rescind the action of the Town in 1976 and 1977 when a capital reserve account was set up to finance land procurement and engineering studies at a total of four thousand dollars ($4,000.00). The Town has been advised by the Department of Revenue Administration that the Attorney General ruled this as an improper reason for the establishment of a capital reserve fund, hence, illegal. Four thousand dollars ($4,000.00) with accrued interest must be withdrawn. Voted in the affirmative with no opposition.

Article 9: To see if the Town will vote to establish a Capital Reserve Fund as authorized by RSA Chapter 25 for the purpose of funding the purchase of fire equipment and to determine the amount to be authorized therefore. (by petition)

The moderator noted that the statute cited was in error and should read RSA Chapter 35.

Mr. Hansen moved that the Town establish a Capital Reserve Fund as authorized by RSA Chapter 35 for the purpose of funding the purchase of fire equipment, and to appropriate the amount of thirty thousand dollars ($30,000.00). The motion was duly seconded and passed by voice vote with no opposition.

Article 10: To see if the Town will make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Budget Committee in its report.

Article was amended, deleting ninety thousand dollars ($90,000) for fire truck equipped and increasing the Capital Reserve Fund to thirty thousand dollars ($30,000) to reflect the vote on Article 2 and Article 9. Article 10 as amended voted in the affirmative with no opposition.

Article 11: To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Holderness and to the health and welfare of the people of Holderness. Their actions shall include: 1. reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990. 2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal. The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States. (by petition) Voted in the affirmative with no opposition.

Article 12: To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes. Voted in the affirmative with no opposition.

Article 13: To see if the Town will authorize the Selectmen to administer, lease, sell, convey or otherwise dispose of any real estate acquired by the Town by any Tax Collector's deed in accordance with the provisions of RSA 80:42. Voted in the affirmative with no opposition.

Article 14: To see if the Town will authorize the Selectmen to apply for, receive, and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money, provided: (1) that such grants and other monies do not require the expenditure of other Town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b. Voted in the affirmative with no opposition.

Article 15: To transact any other business that may legally come before the meeting.

Selectman Gage responded to a question concerning uncollected resident taxes, explaining that the auditors recommend that uncollected resident taxes be abated rather than carried on the books interminably.

It was adopted by acclamation that appreciation and get well wishes be extended to Don Dana and Trudy Elsner, who serve their community so well.

Discussion ensued on the subject of holding the annual meeting on a different day from the day of voting. The moderator pointed out that such a change would require a warrant article at the Town Meeting preceding the change.

Meeting adjourned 10:05 P.M.

Respectfully submitted,
Alisoun Hodges
Deputy Town Clerk

Audit Statement

February 17, 1984

Board of Selectmen
Town of Holderness
Holderness, New Hampshire 03245

Dear Members of the Board:

We have examined the financial statements of the various funds and account groups of the Town of Holderness, New Hampshire for the year ended December 31, 1983 and have issued our report thereon, dated February 17, 1984. As part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements.

The object of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgement by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgement, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgements required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in condition and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the Town's system of internal accounting control for the year would not necessarily disclose all weaknesses in the

system. Such study and evaluation did not disclose any material weaknesses. However, the recommendations on administration and operational matters not directly related to internal accounting control, as follows, were developed from our observation of the Town's operations. They are not the result of a special study.

Tax Anticipation Notes

The Municipal Finance Art (New Hampshire RSA 33) sets certain limits on the amount of tax anticipation notes which may be issued prior to the Town meeting. During 1983 and 1984, the Town exceeded these limits. We recommend that the Board of Selectmen exercise care to stay within these borrowing limits in the future.

Federal Information Returns

Federal regulations require that any unincorporated person or business which provides services to the Town in excess of $600 must receive a Form 1099. In addition, starting January 1, 1984, the regulations require that if the Town can reasonably expect to pay an unincorporated person or business more than $600 during the calendar year, then either the tax indentification number must be on file or 20% must be withheld from any payments made. We urge that the Town take steps to comply with these regulations in order to avoid penalties.

Cemetery Trust Funds

We have provided the Trustees of Trust Funds and the Board of Selectmen with a detailed recommendation on Cemetery Trust Fund accounting. We believe that this recommendation will simplify accounting and reporting for the Town's Cemetery Trust Funds.

Conclusion

A letter of this type is critical by nature. We found many examples of sound business management practices in our review of the Town's systems. We wish to express our appreciation for the cooperation we received from Town officials.

Very truly yours,
Carey, Vachon & Clukay

NOTE: Full audit will be available in Town Clerk's office when received by Selectmen.

Report of the Selectmen

In 1983, the Department of Revenue Administration Appraisal Division started a reappraisal of property within the town. The results of the reappraisal will be reflected in the 1984 tax year. Property values have continued to escalate since the last re-evaluation, which took place in 1975, to a point where our equalized ratio had dropped to 46% in 1983. We expect completion of this project in March or April 1984.

1983 also witnessed the retirement of former Police Chief Richard Gagne. Dick had been our chief since 1974. Thanks for a job well done, Dick, and best wishes to you and your family. To fill the vacancy created by Chief Gagne's retirement we decided to promote from the ranks. Consequently, Sgt. Zampieri was elevated to the position of chief, while Patrolman Cheney was appointed sergeant. Mike O'Donnell was then hired to fill the patrolman vacancy. Congratulations to all.

1983 was also witness to the unfortunate illness of our former Town Clerk, Trudy Elsner. Mrs. Elsner was our very capable and respected servant in this capacity. On September 1, feeling that she was not recovering as quickly as she had hoped, Mrs. Elsner gave us her resignation. We regretfully accepted. We wish to express our thanks and appreciation for all that she has done for all of us. Best wishes, Trudy!

Effective September 1, 1983, Trudy's replacement was appointed. Mrs. Alisoun Hodges was appointed to fill the unexpired term, until Town Meeting 1984. This office would like to compliment Mrs. Hodges on a job well done. She came on the scene just prior to Town Meeting 1983, with very little experience. With the help of Trudy and of Corinne Demers, and with her ability to grasp the requirements of the Town Clerk's job, we feel that we are very fortunate to have acquired her services.

Sirius Cable TV has started construction of the building that will house the equipment to transmit TV signals to Thornton, Campton and Holderness. As further developments take place, we will try to keep you informed.

Many of you will already have noticed that the floor upstairs in the Town Hall has been completely refinished. This project was undertaken and completed by the Mt. Livermore Grange. We would like to take this opportunity to thank the Grange for its public spirited contribution to the Town.

At this time we wish to thank the town officers, members of the committees and boards, all employees, the Police Department and the Fire Department for their efforts and cooperation during the year.

Roger S. Gage, Chairman
Donald E. Dana
Earl F. Hansen

Holderness Police Department

The year 1983 brought many changes within the Holderness Police Department. The first change involved the department personnel. In September, Richard Gagne stepped down, having retired with 20 years in the law enforcement field. Those of us who worked under him hope to continue his progressive ideas and strive to improve law enforcement within our community. We all wish him the best of luck in his future endeavors.

I was appointed to the Chief position and Craig Cheney was promoted to Sergeant. Mike O'Donnell was made a patrolman, filling out the full time ranks. Scott Weden and Ken Guyotte were added as special officers. We now have 3 full time officers, 5 part time officers and 1 part time secretary.

The second area of major change concerns our mode of transportation. We traded in the car for a four wheel drive, diesel Chevrolet Blazer. I must say that we are quite pleased with this vehicle and its performance. We have cut fuel costs in half because we are now able to get the fuel at the town pump and because the Blazer gets twice the gas mileage that we got with the car. And we now have better access to difficult places, whether it be a road to a camp on Squam Lake, or a steep hill in Heritage Hill. We are also able to carry more equipment within the rig, an example being a new emergency first aid jump kit which the fire department gave us.

Our activity for the year is again up over that of 1982, by approximately 155 calls. We have seen a large rise in motor vehicle court cases, from 113 in 1982 to 217 in 1983. And we have also seen a decrease in burglaries, from 34 in 1982 to 21 in 1983. There was also approximately $430.00 returned to the town from pistol permit and insurance report form money.

Looking forward to 1984, we hope to better educate ourselves within the field of law enforcement. We also hope to better address the problem of drugs in the community and also that of arson. Both of these items appear to be taking a toll on the people and property of the town. We hope to work within the schools presenting programs on safety, and also within the community. I also hope to restart a bicycle registration program. Looking at our small department overall, I believe that with time and training we have a great potential to better serve the community.

I would like at this time to thank the Ashland Lions Club for the donation of an automatic inking machine and several hundred fingerprint cards to the Ashland and Holderness Police Departments. This has enabled us to start a fingerprint program with the school system and will be used each year by both departments.

I would also like to thank those members of the police and fire departments within the town, and those around us for their continued help and cooperation. And also thanks to the town citizens for their help in making this area a better place to live.

Yours truly,
Darryl Zampieri, Chief

Fifty-First Annual Report of the Holderness Fire Department

The number of structural fires continued to decline in 1983 as only 1 out of 62 total requests for assistance. But if you add in the number of chimney fires, the total remains too high. We extinguished 11 flue fires, 17% of all calls. Wood fires are still the culprit when not operated properly.

Another type of emergency call continues in an upward trend: medical assistance. We had 11 such requests, less than a year ago (15) but way up over 1980 and 1981. If automobile accidents are included in this category, the percentage of total calls rises to 29.

In line with this sharp increase in requests for medical aid, 4 of our members maintain their status as Emergency Medical Technicians (EMTs) and 12 have qualified as First Responders competent to render emergency care. In addition, we have qualified 16 in the skills of Cardiopulmonary Resuscitation (CPR). Annual training in cold water rescue is also held.

Attempts are afoot to revitalize and reorganize the Pemi-Baker Valley Medical Service District so that communities will be able to better assist each other.

Other emergency statistics for 1983 include: 2 rescues, 4 dump fires, 2 boat mishaps, 2 lightning strikes, 2 forest/grass fires, 1 auto fire and 1 power line fire.

The Lakes Region Dispatch headquarters in Laconia has logged each of our calls for the year, averaging the time it took us to get on the road ("response time") at 2.9 minutes. This is the time lapsed from receipt of the first call until the first apparatus is under way. Time for arrival on the scene is 3.7 minutes and the average time for calls to help neighboring towns, which we did 15 times, is 9.5 minutes.

During much of 1982 we were on automatic first response for fires in Ashland because their truck had been returned to the factory for repairs. Now we will have to fix or replace the body on our newest truck. It's at times like this that we realize how valuable Mutual Aid cooperation is.

Our sincerest gratitude is extended to the members and officers of the Mt. Livermore Grange, and others who helped, for the installation of two pair of yellow warning flashers on either side of our fire station. In true community spirit, and with civic pride, they raised almost $3500 to pay all costs.

It's a good example of doing something BEFORE an accident occurs! Meanwhile we continue to receive generous assistance from our own Auxiliary enabling us to purchase needed equipment and various articles of protective clothing.

Smoke detectors have proven their worth in preventing fire fatalities. They are now required by law in all rental housing and in all new or substantially rehabilitated single family dwellings.

Articles on the 1984 town meeting warrant will, once again, ask the voters to appropriate the necessary funds for the purchase of a 2000-gallon tank truck. Such a piece of apparatus would be of great value in those parts of town where a steady supply of adequate water is not available. We have been asking for such an appropriation since March of 1980 in order to keep on our schedule of replacing a truck each decade. We hope this will be the year for a vote of confidence in the job we've done and want to continue doing.

Respectfully submitted,
Tink Taylor, Clerk

IMPORTANT NOTICE

Pursuant to RSA 153:10-A of the laws of the State of New Hampshire

Effective 09-22-83 All multi-unit dwellings shall be equipped with automatic fire warning devices. In addition all single family dwellings which are built or substantially rehabilitated after January 2, 1982, shall be equipped with an automatic fire warning device.

HOLDERNESS FIRE DEPARTMENT — CALLS FOR ASSISTANCE
January 1, 1983 to December 31, 1983

JANUARY
5 Mutual Aid, Ashland
5 Frances Currier, Route 175, chimney fire

20 Joseph Mastro, Perkins Lane, chimney plugged
20 Mutual Aid, Ashland
23 Route 3, South, Malcolm Taylor, Sr., medical emergency
27 Central School, frozen pipes, water in boiler room
29 Henry Harris, Route 113, smoke ejection

Report of the Town Hall Committee

During 1983 the front side of the Town Hall was painted and the Town Shed, except for one small section, has been insulated.

Plans for 1984 entail the painting of two more sides of the Town Hall and finishing the insulation of the Town Shed.

The Mount Livermore Grange, at its expense, has refinished the floors in the meeting hall of the Town Hall.

Respectfully submitted,
Paul M. Needham, Chairman
Kent Smith
Patricia Ford

Report of Overseer of Welfare

Twelve families were interviewed during 1983. Some received a food order or other aid. Some were directed to other agencies for help.

Laura Heath

Library Hours

Wednesdays and Saturdays: 10 am - 6 pm
Summer: Mondays, Wednesdays, Saturdays 10 am - 6 pm

Programs

This year programs have included our usual Craft Classes in the Summer and at Christmas, our Summer Reading Program, Volunteer Library Aides - whom we thank very much for their help - and the summer Dungeons & Dragons continuous game, which as usual was an extremely successful event. All these programs are being continued in 1984.

Mary DeLashmit, Librarian

Report of Library Trustees

We think the townspeople will be interested in what we have done at the library in the year 1983.

Our "ENERGY-SAVING" program was started in 1981 and completed in 1983, with the installation of quilted shades at all the windows. The fuel consumption has been lowered by one-third since the installation of the new furnace in 1981 and the shades in 1983.

Since lightning struck the library in August 1983, although no damage was done, we decided that a telephone should be installed to meet any further emergencies. The assistant librarian, Ann Pierce, who was on duty at the time, had to go across the street to phone the fire department. The library phone number is 968-7066, if anyone wants to call to have books renewed or to order books for research from the State Library.

Although a new addition is not planned in the near future, we hope to make some improvements in the interior layout of the library, since the ever expanding demands on the library make us short of space.

The Trustees thank all of the volunteers who have helped so much at the library during the past year and, we hope, will continue to do so.

Respectfully submitted,
Board of Trustees
Holderness Free Library

Holderness Planning Board

In 1983, the Holderness Planning Board received 11 applications for subdivisions. The Board approved 9 subdivisions, creating 7 new lots in the town.

During 1983, the Board updated the Subdivision Regulations for the Town of Holderness booklet, including the table of contents and the proper renumbering of cross references for easier understanding.

On October 27, 1983, the Board amended the definition of waiver to be consistent with requirements of waivers given in the past.

Since there are times when members of the Board are not able to attend scheduled meetings, the Board appointed an alternate.

On March 25, 1983, the N.H. Supreme Court overturned the decision of "Town of Holderness v. Robert Valpey," since it is a commercial activity (Mr. Valpey wants to develop a seasonal campground). This ruling emphasizes the need for zoning in the town of Holderness.

Hopefully, the Board will have approved the Holderness Master Plan by Town Meeting. This planning document provides the Planning Board, Selectmen and citizens with a sound basis for making decisions relative to the future of Holderness. The document includes an inventory of essential facts and information. After its acceptance, the Holderness Master Plan will be available at the Town Hall.

Respectfully submitted,
Joseph L. Mastro, Chairman
Milton W. Huckins, Vice Chairman
Peter J. Hendel, Secretary
Earl F. Hansen, Selectmen's Rep.
Crecia C. Closson
Peter G. Hodges
Harrison A. Sargent
Irving R. Marsh, Alternate

Report of the Pemi-Baker Home Health Agency

Since 1967 the Pemi-Baker Home Health Agency has been growing in its service to the community. In spite of added services, the per capita cost to member towns has not increased for two years.

The 704 visits made to Holderness residents in 1983 break down as follows:

Skilled Nursing	240
Physical Therapy	81
Speech Therapy	63
Home Health Aide	96
Homemaker	224

In addition to the above visits to the home, Blood Pressure Clinics for Holderness and Ashland residents were held the first Thursday of every month at 1:30 in the Ashland Baptist Church. 403 people attended with 71 needing referral to a physician for treatment. Twice yearly these clinics included diabetic screening.

Immunization Clinics available to all member towns are held bi-monthly on the second Wednesday at the American Legion Hall in Plymouth. Last year 29 Holderness children received free immunization against childhood diseases.

The infant car seat loan program is a valuable service for the safety of newborns. Four people borrowed the car seats and returned them when the child was big enough for the larger size.

If you have any questions about the Pemi-Baker Home Health Agency and its services, call the Agency office (536-2232) or your local representative.

Respectfully submitted,
Eleanor Wolf
Holderness Representative to the
Board of Directors

Report of Health Officer

For the year ending December 31, 1983, eight (8) permits were issued for proper handling of waste materials.

Contrary to some beliefs, the Town gives the final approval for a septic system, even though the State has approved the system.

This past year I have received numerous calls in regard to "holding tanks" for septic systems. Holding tanks are not allowed for a new system. However, they may be used for existing dwellings if required criteria are met.

Russell R. Moren
Health Officer

Holderness Park Board

The summer season at the Holderness Beach was very successful in 1983 with over 100 tickets sold.

Several improvements were made. Trees were cut and removed to allow for more sun. Seven loads of sand were brought in and spread. Thanks go to Lyle Thompson and Frank Webster for their help and the use of their equipment. Three new picnic tables were added, and the life guard's chair was repaired. A new lawn mower was purchased and put to good use by our life guard, Mark Dolac, during slow periods. Mark did an excellent job giving swimming lessons to the children who signed up.

It is hoped that with continued improvements this coming summer even more townspeople will come and enjoy this fine beach.

Jeffrey Cripps
Samuel Howe
James Greene

Sixteenth Annual Report of the Conservation Commission

The commission gladly welcomes two new members: Archibald Stark from the Heritage Hill part of town, and Paul D. Smith who lives off Route 3 in East Holderness. Appointment of these two new commissioners continues our policy of geographical distribution.

During the past 12 months we were asked to review 9 applications for construction projects within the wetlands of the town. Of these, 6 were for wharf construction or reconstruction on the two lakes, 1 was for the creation of a fire pond on Mt. Prospect, another for excavation of a .12 acre "teaching marsh" at the Science Center, and the biggest project, on Bennett Brook along Squam's north shore, was for a boat basin.

The commission determined that a public hearing should be held on the Bennett Brook project with November 30 set as the date. There was no public opposition expressed and the application was allowed to proceed with certain restrictions to protect water quality and to guard against improper runoff from the spoils dredged up.

Our efforts at educating the public as to the importance of protecting wetlands continues. At last year's town meeting the voters of Holderness reaffirmed their vote of a year before by approving prime wetland designation, thus giving the town a bigger voice in wetland construction review. With the recent problems in southern New Hampshire concerning the contamination of groundwater, the importance of protecting groundwater recharge areas becomes all the more crucial.

With cautious stewardship of all our waters there is no reason why the residents of Holderness cannot continue to depend upon their surface and deep wells, hillside springs and even our lakes for precious drinking water. Hopefully we will never see on television Holderness residents lined up in back of a tank truck filling their water jugs from spigots!

Respectfully submitted,
Archibald Stark
Paul Smith
Larry Spencer
Richard "Buzzy" Currier
Tink Taylor, Chairman

Report of the Grafton County Commissioners

We appreciate this opportunity to more directly communicate with our taxpaying citizens through their annual town/city reports.

Because of our July 1st fiscal year, it is hard to anticipate the local tax impact of the county budget. The Commissioners are accountable to the public and taxpayers, and accordingly are extremely conscious of meeting the citizens' needs adequately and efficiently, yet as economically as possible. However, we are faced with similar budgeting dilemmas as towns and cities. Real budget concerns are created by the federal and state mandated programs and services without supporting funds or local control, and the increased demand for services while attempting to hold down budgets and taxes. We all must maintain a close relationship with our legislators. The Commissioners are following very closely the pending legislation regarding settlement and assistance programs, and hope that the towns are also involved in this very important issue.

Courtroom #2 was finished last summer and was dedicated during the opening of the fall term of Superior Court on September 13, 1983. We anticipate having a second judge in March, which should relieve the backlog and reduce the need for masters.

Counties, as well as towns, are experiencing the transition of the courts into the new State Unified Court System, and should notice a decrease in local expenses for the judicial system. However, the counties will have to "reimburse" $2.75 million to the Unified Court System in fiscal year 1985, which means approximately $200,000 to Grafton County. We also expect that the counties will retain certain operating expenses such as Probate Court guardianship and appeals costs, Superior Court bailiff costs, and probably will have to provide court space, furnishings and equipment without remuneration.

On Commissioner recommendation, the Delegation Executive Committee appointed a Jail Study Committee to review the needs for the county correctional facility. The National Institute of Corrections made an independent study of the correctional facility at no cost to taxpayers, and issued an encouraging report recommending minor changes, but overall indicating a good facility in general compliance with laws, regulations and meeting needs. Some attention is being given to the need for additional space, especially for "weekend" incarcerations. There was no recommendation for new permanent facility construction at this time.

Grafton County is currently involved in litigation in a retirement buy-back issue which could have heavy impact on all local governments in the N.H. Retirement System. Assessment on Grafton County in this one case could run approximately $70,000 plus legal fees and could result in a serious "domino" effect on local governments.

Grafton County will be going through the budgeting process in May and June, with a public hearing on the Commissioners recommendations expected to be held in mid-June. The hearing will be advertised, and we strongly encourage your attendance at the hearing to voice your opinions and feelings on the budget. We welcome your attention and comments.

The Commissioners meet Mondays at 9:30 a.m. at the Courthouse and at 12:30 p.m. at the Nursing Home. Meetings are open to the public.

GRAFTON COUNTY COMMISSIONERS:
Dorothy Campion-Corcoran, Chairperson
Richard L. Bradley, Vice Chairman
Arthur E. Snell, Clerk

Upper Valley Senior Citizens Council, Inc.

Statistics for Town of Holderness
October 1, 1982 - September 30, 1983

Number of Senior Holderness residents served: 31
(251 residents over age 60, 1980 census)

Number of Holderness volunteers: 8

Number of Volunteer hours: 640

Services	Unit of Service	No. of Units of Service	×	Unit (1) Cost	=	Total Cost of Service
Center Meals	Meal	447	×	$3.18	=	$1,421.46
Meals-on-Wheels	Meal	1507	×	$3.77	=	$5,681.39
UVSSC cost to provide services to Holderness						(2) $7,102.85
Received from Town of Holderness for 1983						$ 200.00
Request for Senior Services for 1984						$ 200.00

Notes:

(1) Unit cost from audit report for July 1, 1982 - June 30, 1983

(2) For the entire agency, services were funded by: Federal programs 57%; Municipalities and County and United Way 12%; In-kind donations 10%; Miscellaneous (arts & crafts sales, etc.) 5%; Fares and donated fees 16%.

Holderness School District Report

Holderness School District Officers

School Board	Judith Mastro, Chairperson (resigned April, 1983) Bruce Leonard, Chairman Alisoun Hodges Barbara Currier (appointed June, 1983)
Moderator	Malcolm Tink Taylor
Clerk	Nancy Ruhm
Treasurer	James Dalley
School Doctor	Richard Hoyer, M.D.
School Nurse	Linda Cowan, R.N.
Superintendent of Schools	Daniel A. Cabral
Assistant Superintendent of Schools	Gerald P. Bourgeois, Ed.D.

Holderness School District Meeting

March 17, 1983

The annual meeting of the Holderness School District was called to order at 7:35 P.M. by Moderator Tink Taylor. Forty-eight people were present plus Board members: Bruce Leonard, Alisoun Hodges, Judith Mastro; Principal, Robert Eames; Superintendent, Dan Cabral; Assistant Superintendent, Gerald Bourgeois.

Russell Goss led us in the Pledge of Allegiance.

The Moderator announced the newly elected school district officers, and by majority vote of the town, the terms of School Moderator, School Treasurer, and School Clerk will be amended to three year terms beginning with 1984.

The following business was transacted:

Mrs. Wolf moved, Ms. Howe seconded to dispense with the reading of the warrant in its entirety.

The vote was in the affirmative.

ARTICLE I: to accept the reports of agents, auditors, committees, or officers chosen and to pass any vote relative thereto.

Mrs. Mastro moved, Mr. Eames seconded.

The vote was in the affirmative.

ARTICLE II: that the District vote to raise and appropriate the sum of $8,000.00 for the renovation of classrocms.

Discussion followed concerning the need for this expenditure, materials used, and the improved learning environment.

Mrs. Staples moved the question, Mrs. Fairbanks seconded.

It was voted to limit debate and passed by the necessary two-thirds vote.

The vote on Article II was then in the affirmative.

ARTICLE III: that the District vote to raise and appropriate the sum of $2,000.00 in order to establish a contingency fund in accordance with RSA 198:4-b to meet the cost of unanticipated expenses that may arise during the year.

Mrs. Horstmann moved, Mr. Taylor Sr. seconded.

The vote was in the affirmative.

ARTICLE IV: to see if the District will vote in favor of extending to three years the term of office of the Moderator, Clerk, and Treasurer, as provided in RSA 671:6a.

This article was passed over as it was previously approved by majority ballot vote at the time of the School District Election.

ARTICLE V: that the District vote to authorize the School Board to make application for, accept, and expend on behalf of the District, any and all grants or offers or other funds for educational purpose, which may now or hereafter be forthcoming from any federal, state, local governmental or private agencies.

Mrs. Wolf moved, Mrs. Richards seconded.

The vote was in the affirmative.

ARTICLE VI: to see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials, employees, and agents and for the payment of statutory obligations of the District.

Mrs. Mastro moved, Mr. Eames seconded that the District appropriate the sum of $773,058.00 for the support of schools, for the salaries of school district officials, employees, and agents and for the payment of statutory obligations of the District.

An explanation followed of a donation of $2,035.00 from the Friends of Holderness Central School towards the health room, field hockey sports equipment, computer software, and the industrial arts program. These monies were deducted from the following accounts: #1100, $110.00; #1400, $600.00; #2130, $825.00; and #2220, $500.00.

Discussion followed concerning the State-mandated Special Education Program, high insurance costs, and the funding of the Supervisory Union Voc-Tech building.

Mr. Eames moved the question, Ms. Howe, seconded.

The vote on Article VI was then in the affirmative.

ARTICLE VII: The Moderator read the article in full: to transact such other business which may legally come before said meeting.

The study of a four day school week was discussed and thanks was extended to Mrs. Fairbanks and Mr. Horstmann for their research on this subject.

Mr. Eames and Mrs. Richards were recognized for their outstanding service to Holderness Central School. They will be leaving at the end of this school year.

The annual school district meeting was voted to be adjourned at 9:15 P.M.

Respectfully submitted,
Nancy J. Ruhm
School District Clerk
Holderness

School District Warrant

The State of New Hampshire

To the inhabitants of the School District of Holderness qualified to vote in district affairs:

You are hereby notified to meet at the Holderness Town Hall in said district on the thirteenth day of March, 1984, at 10:00 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the ensuing three years.

2. To choose a Clerk for the ensuing three years.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing three years.

Given under our hands at said Holderness this 21st day of February, 1984.

Holderness School District Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Holderness, County of Grafton, and State of New Hampshire qualified to vote in District affairs:

You are hereby notified to meet at the Holderness Central School in said District on Thursday, the fifteenth day of March, 1984, at 7:30 o'clock in the afternoon to act upon the following subjects:

ARTICLE 1: To hear the report of agents, auditors, committees or officers chosen and to pass any vote relative thereto.

ARTICLE 2: To see if the District will vote to create and establish a capital reserve fund for the purpose of boiler replacement and to raise and appropriate $5,000 therefore and to appoint the Holderness School Board as the agents of this fund.

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of $2,000 in order to establish a contingency fund in accordance with RSA 198:4-b to meet the cost of unanticipated expenses that may arise during the year.

ARTICLE 4: To see if the District will vote to authorize the School Board to make application for, accept and expend on behalf of the District, any and all grants or offers or other funds for educational purposes, which may now or hereafter be forthcoming from any federal, state, local governmental or private agencies.

ARTICLE 5: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District.

ARTICLE 6: To transact such other business which may legally come before said meeting.

Given under our hands the 22nd day of February, in the year of our Lord nineteen hundred eighty-four.

Explanation of Superintendent's and Assistant Superintendent's Salary for 1982-1983

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each Superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same ... Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of $32,940 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1982-1983 was prorated among the school districts comprising the School Administrative Unit. Allowance for $2,200 travel within the Unit was also prorated as stated above.

The salary of $27,324 for the Assistant Superintendent during 1982-1983 and travel allowance within the Unit of $1,700 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

District	Adjusted Percent	Supt. Salary	Supt. Travel	Asst. Supt. Salary	Asst. Supt. Travel
Campton	16.10	5,303.34	354.20	4,399.16	273.70
Holderness	16.78	5,527.33	369.16	4,584.97	285.26
Plymouth	37.60	12,385.44	827.20	10,273.82	639.20
Rumney	9.11	3,000.83	200.42	2,489.22	154.87
Thornton	8.89	2,928.37	195.58	2,429.10	151.13
Waterville Valley	6.15	2,025.81	135.30	1,680.43	104.55
Wentworth	5.37	1,768.88	118.14	1,467.30	91.29

Report From
The Superintendent Of Schools

Education has received a considerable amount of state and national attention during the 1982-1983 academic year. Approximately 30 reports on the status of education have been issued by commissions, task forces, and individuals. While the reports often make common recommendations and occasionally differ, one message is consistent. Excellent education is basic to the future of our country.

The communities which comprise School Administrative Unit #48 (Campton, Holderness, Plymouth, Rumney, Thornton, Waterville Valley, and Wentworth) should be aware that some of the recommendations cited have already been implemented or are being implemented in our schools. More can and will be done to assure a brighter educational future for our students and continued economic, intellectual, and cultural vitality for our state.

There are no easy solutions to the very complex problems of revitalizing education. Vision is needed to enlist capable thinkers from the school community, colleges and private and public sector agencies to help identify curricular goals for the variety of students served by the public school. Flexibility of offerings, organizational patterns, and scheduling are paramount issues at the building level which can assist in meeting the needs, abilities, and learning styles of a differentiated school population.

School Administrative Unit #48 continues to place much emphasis on goal-setting activities. During the 1982-1983 academic year refinement focused on: (1) improving student performance in language arts (reading and composition), mathematics, and U.S. and NH history and government; (2) improving curriculum coordination amongst the seven elementary schools and articulating with the Plymouth AREA High School; (3) progressing with programs in vocational education, special education, and giftedness; (4) identifying resources which can enhance inservice training opportunities for teachers and administrators; and (5) disseminating and employing the findings of "effective schools" research.

Our teaching staff also continues to keep abreast of contemporary developments. Computer awareness, gifted and talented opportunities, writing and mathematics instruction, and vocational skills receive considerable attention. Interest has been maintained at a high level, and we constantly attempt to utilize in-house expertise and share information.

In conclusion, School Administrative Unit #48 will continue to provide the leadership which nurtures the development of partnerships which are designed to improve educational opportunities for all students.

A school cannot exist independently of the community served. This administration will exemplify a commitment to reach out and establish itself as a focal point of the community. Our schools are still our greatest single natural resource.

Your continued support and cooperation is cherished. It can only serve to contribute to our quest for evolving excellence.

Daniel A. Cabral
Superintendent of Schools

Your public schools . . . There's no better place to learn!

Annual Report of the Principal

To the School Board, the Superintendent of Schools, and the residents of the town of Holderness, I respectfully submit my annual report.

Enrollment at the Holderness Central School has been relatively stable over the past several years and, barring unexpected growth, should remain in the 215-225 range for the near future.

There were several newcomers to the staff in 1983. Mr. Timothy Saunders, a graduate of Plymouth State College, is now teaching third grade. Mr. William Lawson, also of Plymouth State, has taken over the instructional responsibilities in the area of health and physical education. Mrs. Lynn Haust, a graduate of the University of Massachusetts (and a former teacher in both Gilford, New Hampshire, and Nome, Alaska) is now coordinating our art program. Sheila White, who has extensive experience as both an elementary teacher and as a librarian, is the new library-aide replacing Francis Currier who served Holderness Central so well for so many years. Linda Cowen has replaced Mary Richards as the school nurse, and I have had the pleasure of beginning duties as Principal in place of Robert C. Eames who retired after twelve successful and productive years.

The Holderness Central School and the Holderness community have for many years had a productive working relationship. We hope to foster and promote further meaningful school-community interaction by maintaining open lines of communication, and by inviting all Holderness citizens to par-

ticipate in school activities. The weekly bulletin, the "Spotlight on Holderness Central" in the *Record-Citizen*, and the monthly newsletter (the *Holderness Hawk*) will be used to share information regarding school programs and events. Everyone is encouraged to attend the monthly evening programs and parent conferences, and we welcome contact from all those who might wish to share their *own* knowledge and expertise with our students.

We are proud of our educational program. Although it is only one measure of a school's success, the CTBS-McGraw Hill national achievement test scores indicate that, in general, students at Holderness Central score well above national averages. We will continue to evaluate our curriculum and shall strive to introduce new programs to meet emerging educational needs, and to provide enrichment programs as resources will permit. This year, for example, all students K-8 will receive instruction in computer skills, upper-grade students will begin working in a literature-based reading program, and all eighth-graders will participate in a fourteen-week course leading to certification in cardiopulmonary resuscitation.

In all aspects of our program we will continue to strive to maintain the highest educational and professional standards. I would like to thank the students, the faculty, and the members of the community who have contributed their strength to our efforts. I look forward to working with you all in pursuit of our common goals.

Kenneth B. Cooper, Ph.D.
Principal

School Health Services Report

My first year at Holderness Central School has been a very busy but productive experience.

As of October 15, 1983, Holderness Central School students successfully met the state immunization laws. Much praise goes out to the parents for following up on their children's immunizations, and to the Pemi-Baker Home Health Agency for sponsoring free immunization clinics.

In the early fall, Dr. Robert Hoyer, our new local pediatrician, conducted 58 physical examinations on students in Grades 5 and 7, and to students in Grades 4, 6, and 8 who were participating in sports for the first time or were new to Holderness Central School.

The Dental Clinic with Olive Staples, R.D.H. is still in operation. Students in Grades Transition-2 are driven to the dental office where their teeth are examined, cleaned, and a topical fluoride applied. Forty-seven students have signed up for this program and totally enjoy their experience with Olive!

A new fluoride Rinse Program has been started in which students daily dry brush their teeth and have a weekly fluoride rinse. This program is sponsored by the Bureau of Dental Health and is free to participating schools. This program has been proven to decrease the incidence of dental caries after a period of time and helps to promote good dental habits.

Annual heights, weights, vision, hearing, and lice checks are done on all students. In addition, blood pressures and scoliosis screenings are done in Grades 5-8. There will be an annual pre-school vision and hearing clinic at the Plymouth AREA School this spring.

As school nurse, I am available as a resource person to parents, students, and teachers. In addition to giving first aid, I try to provide health education in the classroom on various health-related subjects which the students seem to enjoy.

At this time, I would like to thank all school personnel, parents, and the community for their cooperation and support, and in making my first year so enjoyable at Holderness Central School.

Respectfully submitted,
Linda Cowan
School Nurse

School Lunch Program

Financial Review - January 24, 1984

A review was made of the financial records maintained for the School Lunch Program. The following is for your information.

1. Meal counts as shown on the claim for reimbursement are supported by appropriate documentation.

2. Inventory records are maintained in a proper manner. The cost of food used is calculated.

3. Cash is recorded and deposited on a timely basis.

4. Income received from school lunch sales is reconciled with the deposit to assure all such income is credited to the program account.

5. Program costs are appropriately recorded.

6. Labor charges are supported by time and attendance records.

7. Lunch counts are appropriately controlled.

8. Documentation (invoices, receipts, etc.) to support vendor obligations are submitted for payment in a timely manner.

9. Participation in the School Lunch Program is running at approximately 79% for school year 1983-84.

10. Verification of Free and Reduced-Price Meal Applications have been completed by the school nurse in accordance with USDA Administrative Guidance Requirements.

Overview

The records and financial information maintained for the School Lunch Program are in compliance with federal requirements. **A job well done.**

Donald Marsh, Internal Auditor
Food & Nutrition Services
State Department of Education

Audit Statement

Members of the School Board
Holderness School District

We have examined the combined financial statements, as indexed, of the Holderness School District as of and for the fiscal year ended June 30, 1983 as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except as stated in the following paragraph.

The school district has not maintained proper records of its General Fixed Assets. Therefore these combined financial statements of the Holderness School District do not include the financial statements of the school district's General Fixed Asset Account Group. This is a departure from generally accepted accounting principles.

In our opinion, except that the omission of the financial statements described above results in an incomplete presentation, the combined financial statements referred to above present fairly the financial position of the Holderness School District as of June 30, 1983 and the results of its operations in conformity with generally accepted accounting principles which have been applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supporting schedules listed in the index are presented for the purposes of additional analysis and are not a required part of the combined financial statements of the Holderness School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

John J. Hurley & Co., P.C.

August 16, 1983

A copy of the Audit of the 1982-1983 School District financial transactions may be reviewed at the Holderness Town Hall.
